Cookie Policy

HANTOVIA EDUCATION CIC · Company no. 17587942 · Last updated 23 November 2026

This policy explains which cookies and similar technologies the HanTovia Education CIC website uses. In short: **we only use essential storage that makes the website work the way you ask it to. We do not use analytics, advertising, social media or tracking cookies, so we do not need to ask for your consent.**

1. What are cookies?

Cookies are small files that a website stores in your browser. Similar technologies, such as your browser's "local storage" and "session storage", work in a similar way. The Privacy and Electronic Communications Regulations 2003 (PECR), as amended by the Data (Use and Access) Act 2025, require websites to explain what they store and to ask for consent unless the storage is essential or falls within a legal exemption.

2. What this website stores

Name	Type	Purpose	How long	Consent needed?
`hantovia:reduce-motion`	Local storage	Remembers your choice if you switch on "Reduce motion", so animations stay off on every page.	Until you change it or clear your browser data	No. It only stores a setting you chose.
`hantovia:seen`	Session storage	Remembers that the opening animation has already played, so it is not repeated on every page.	Deleted when you close the browser tab	No. It is needed for the website to work as intended.

Neither item contains personal information, and neither is ever sent to us or anyone else.

If we switch on spam protection for our enquiry form (Cloudflare Turnstile), Cloudflare processes limited technical information when you use the form, to check that you are a person and not an automated program. This is strictly necessary for the security of the form and is not used for advertising or tracking.

3. What we do not use

- No analytics or statistics cookies.
- No advertising, retargeting or profiling cookies.
- No social media plugins, embedded videos or maps that set their own cookies.
- No third-party font services. Our fonts are stored on our own website.

4. Consent and future changes

Because we only use essential storage, we do not show a cookie consent banner. If we ever add cookies or similar technologies that are not essential, such as visitor statistics that require consent, we will update this policy first and ask for your consent with a clear choice to **accept or reject** before any non-essential cookie is set. Rejecting will be as easy as accepting.

5. How to control or delete storage

You can delete or block cookies and website storage at any time through your browser settings, usually under "Privacy" or "Site data". Blocking the items above will not stop the website working, but it will forget your "Reduce motion" setting. Guidance for the most popular browsers is available at ico.org.uk.

6. More information

For how we handle personal information more generally, see our Privacy Notice. Questions about this policy can be sent to hanan@hantoviaeducation.co.uk.

The latest version of this document is always available at **hantoviaeducation.co.uk/cookies**.
